

Celebrate your school's success

Nominations for the WA Education Awards 2010 are now open.

The awards recognise the achievements of individuals and schools in improving the lives of students in public education.

You can celebrate your school's success by nominating a public school teacher, principal or school support staff member for these prestigious awards. There are also school awards in the areas of literacy, numeracy, science and innovation.

Winners of individual awards receive prize money and professional learning opportunities, while winning schools receive prize money to further enhance their schools' programs.

By taking the time to nominate you will go in the draw to win an Apple iPad. There's one prize for a nominator in each of the four individual awards.

Discover more about the WA Education Awards at:

www.det.wa.edu.au/educationawards

or telephone 9264 5664.

Nominations close Friday 30 July 2010.

The WA Education Awards are proudly sponsored by GESB, BHP Billiton Iron Ore, Teachers Federation Health, Delron Cleaning, Edith Cowan University, Teachers Credit Union, ExxonMobil and the Department of Education.
